## Payment Options

Your comfort with every aspect of your dental care is vital to your overall experience. This includes being comfortable with your payment options. M K & C Dental is committed to providing you with a variety of options so that you can fit the dental care you need into your financial life. For your convenience, we have several options available to you.

Cash or Check

Visa, MasterCard, Discover,  
& American Express credit cards

A healthcare financing credit card.

Your dental insurance can be valuable to receiving the care you need. However, every policy varies. We are committed to helping you maximize your benefits and will gladly bill your insurance provider as a service to you. Your portion must be paid at the time of your treatment, and any portion not covered by your insurance will be your responsibility. We will be happy to estimate your coverage for you and answer any questions you have about your policy; however, you should keep in mind that your insurance policy is a contract between you and your provider. We are not party to that agreement.

On your first visit with us, you will receive a full copy of our financial policy. Please take this opportunity to ask any questions. We want you to be fully informed about all parts of your dental care and are always available to ensure an open and trustworthy relationship.

# Our services

## Preventive Dentistry

Preventive dentistry plays a crucial role in maintaining overall health and wellness. Our services focus on helping individuals prevent costly and uncomfortable dental procedures, while also enhancing their overall well-being. Regular checkups and cleanings at our office can greatly minimize the chances of encountering expensive dental issues.

## Dental Emergency

If you encounter a dental emergency, please reach out to our practice promptly. For immediate assistance outside of regular hours, contact our emergency phone number, and our on-call team member will assist you. In cases of severe emergencies, please visit the nearest hospital emergency room.

## Implants

A dental implant is a sophisticated form of restorative dentistry that can effectively restore your smile, whether you've lost one tooth or several. It replicates the root structure of a tooth and consists of titanium posts inserted into the bone beneath your gums.

Testimonials

“

I've been coming here for 14 years—the environment is always inviting and friendly. The doctors and staff are professional and kind. After unpleasant experiences elsewhere, I now actually look forward to my cleanings—like getting a haircut.

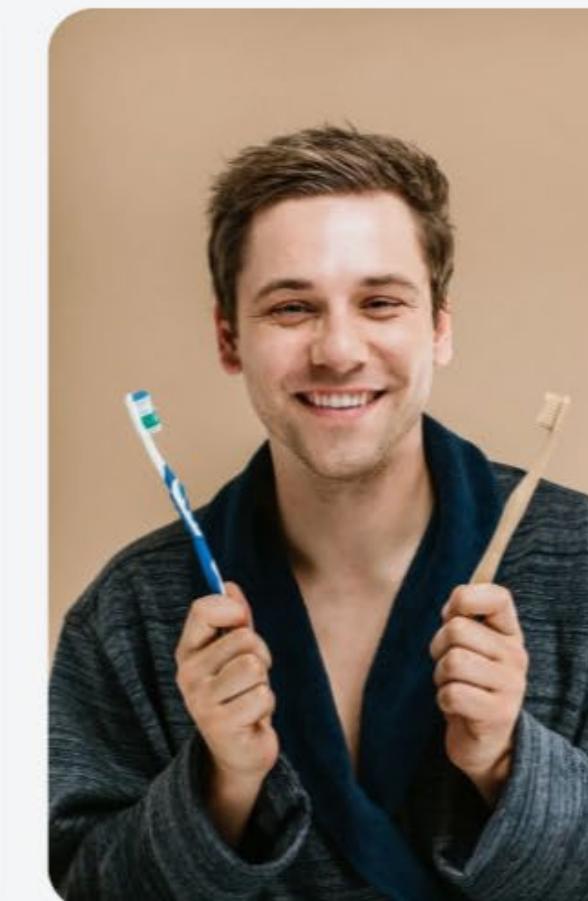

Helena

A screenshot of the Nuedexta Content Inventory and Campaign Assets Required interface. The top navigation bar includes the Nuedexta logo, Audience, Content, Analytics, Services (selected), and QAPI, along with a user profile for Jonas Sams, Content Team. The main area is divided into two sections: "Nuedexta Content Inventory" and "Campaign Assets Required".

The "Nuedexta Content Inventory" section features a "Sort by" dropdown, an "Upload" button, and a search bar. Below these are six content items arranged in a 2x3 grid:

- Content Type:** [Image of a landscape at night]
- Content Type:** [Image of abstract purple marbled patterns]
- Content Type:** [Image of a cluster of purple hydrangea flowers]
- Content Type:** [Image of a large white arrow pointing up on a textured surface]
- Content Type:** [Image of a dark blue background with glowing blue particles]
- Content Type:** [Image of a dark sky with bright lightning bolts]

At the bottom right of the inventory section is a purple "Add to Inventory" button with a downward arrow icon.
