## Reimagining Pharma Marketing

# The Challenge

All marketing content required **strict regulatory compliance and traceability.**

The marketing content creation and approval process involved slow, multi-round reviews that **delayed brochures for weeks.**

This process was **unscalable** due to scattered tools and inconsistent templates.

**The Solution**

# A Compliant Generative AI Platform

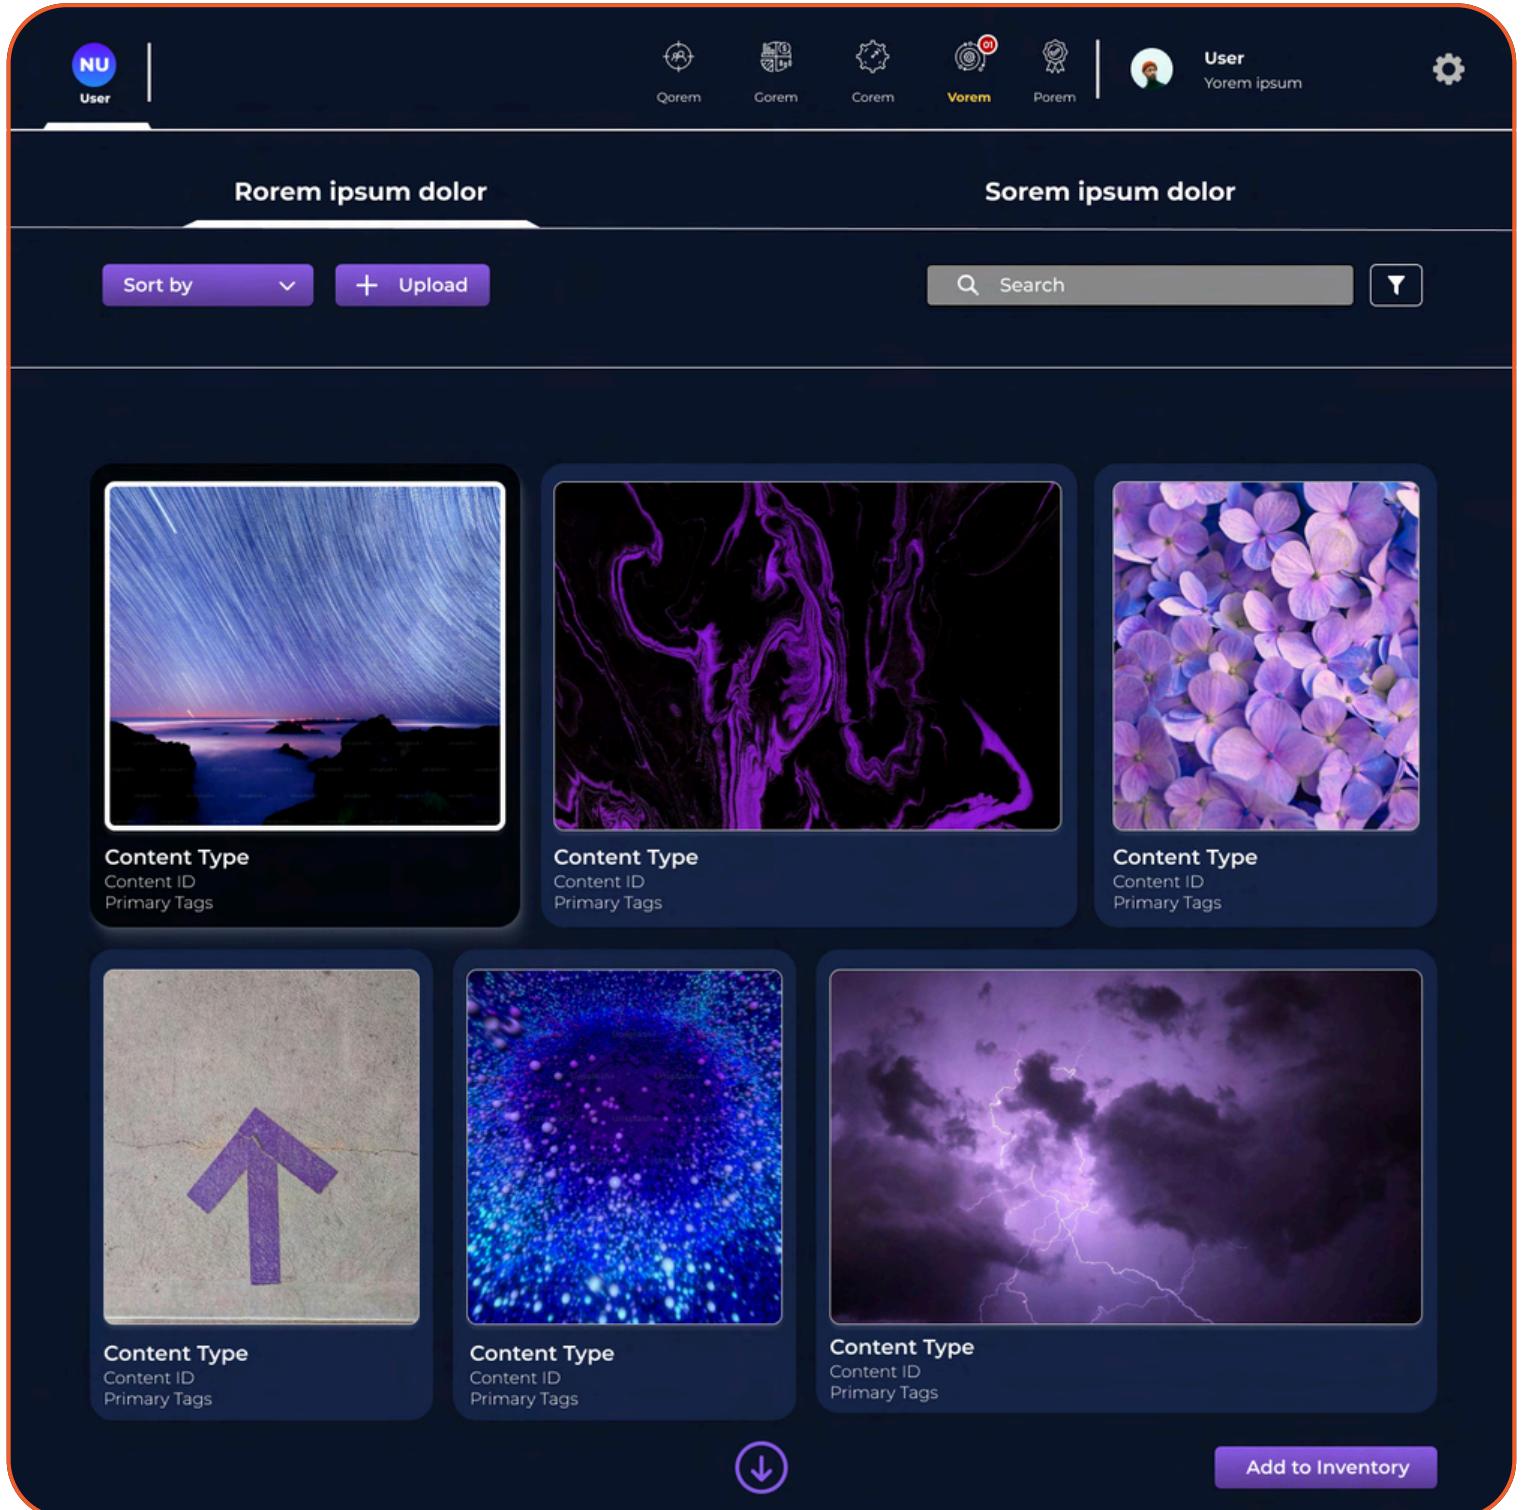

Generated instant, structured drafts from simple prompts.

Featured a **built-in compliance layer** with **auto-referencing and source tracing**.

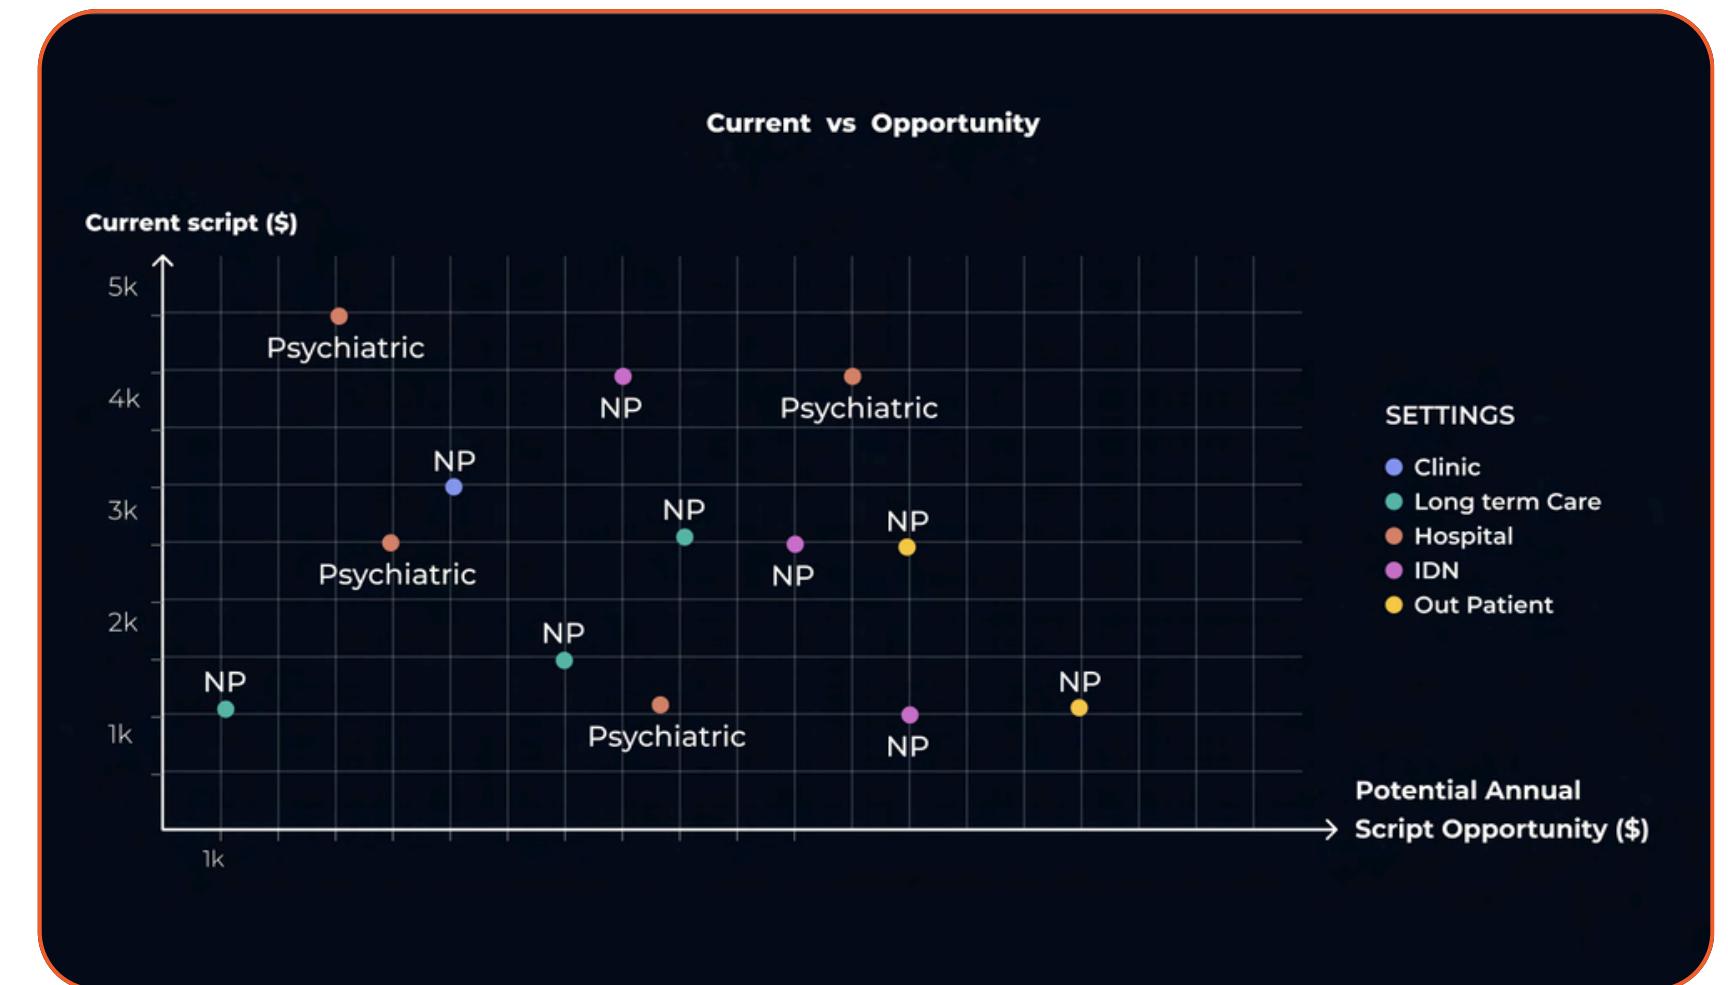

Enforced brand consistency with structured, pre-approved templates.

The Solution

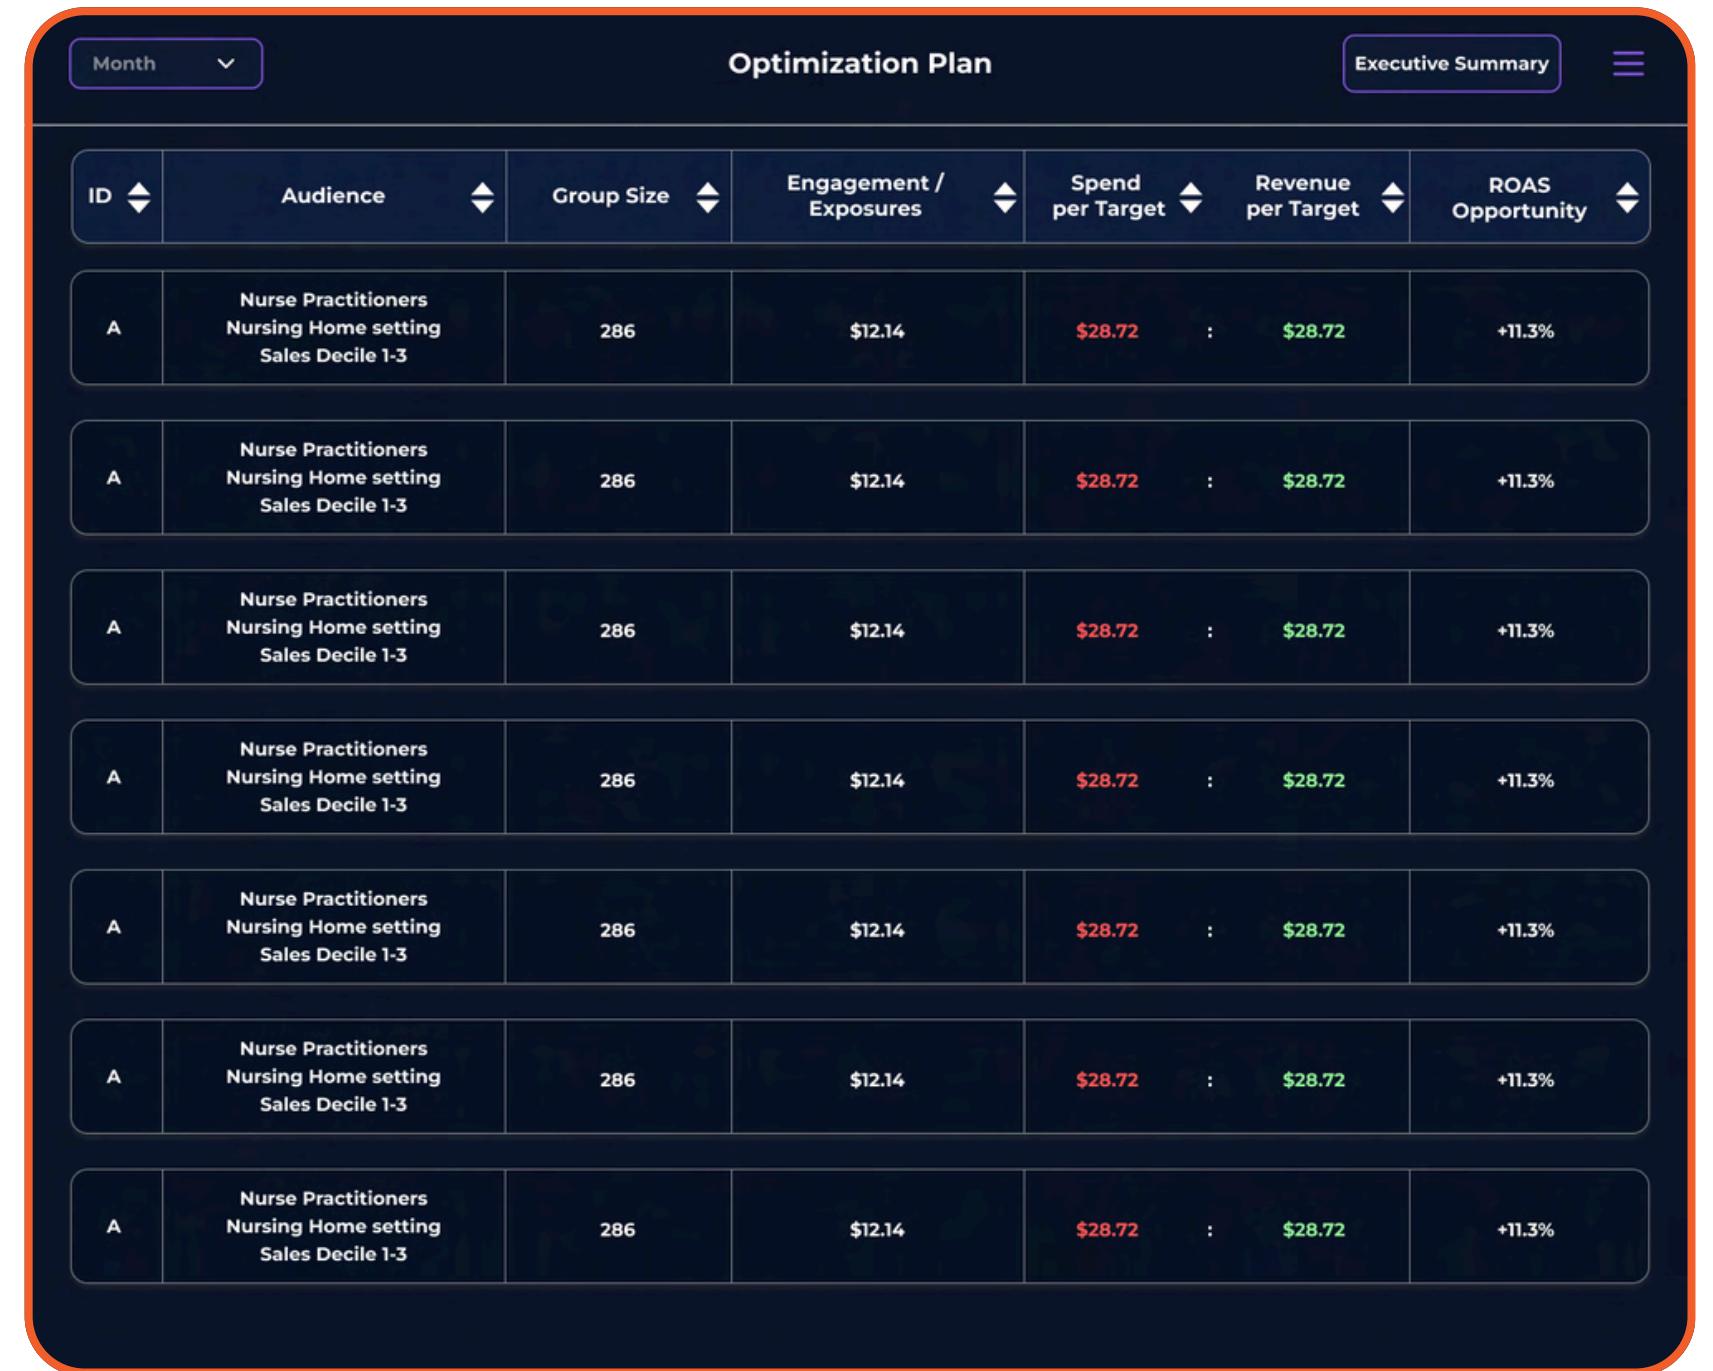

Compares current vs. recommended capital allocation to maximize **projected revenue**.

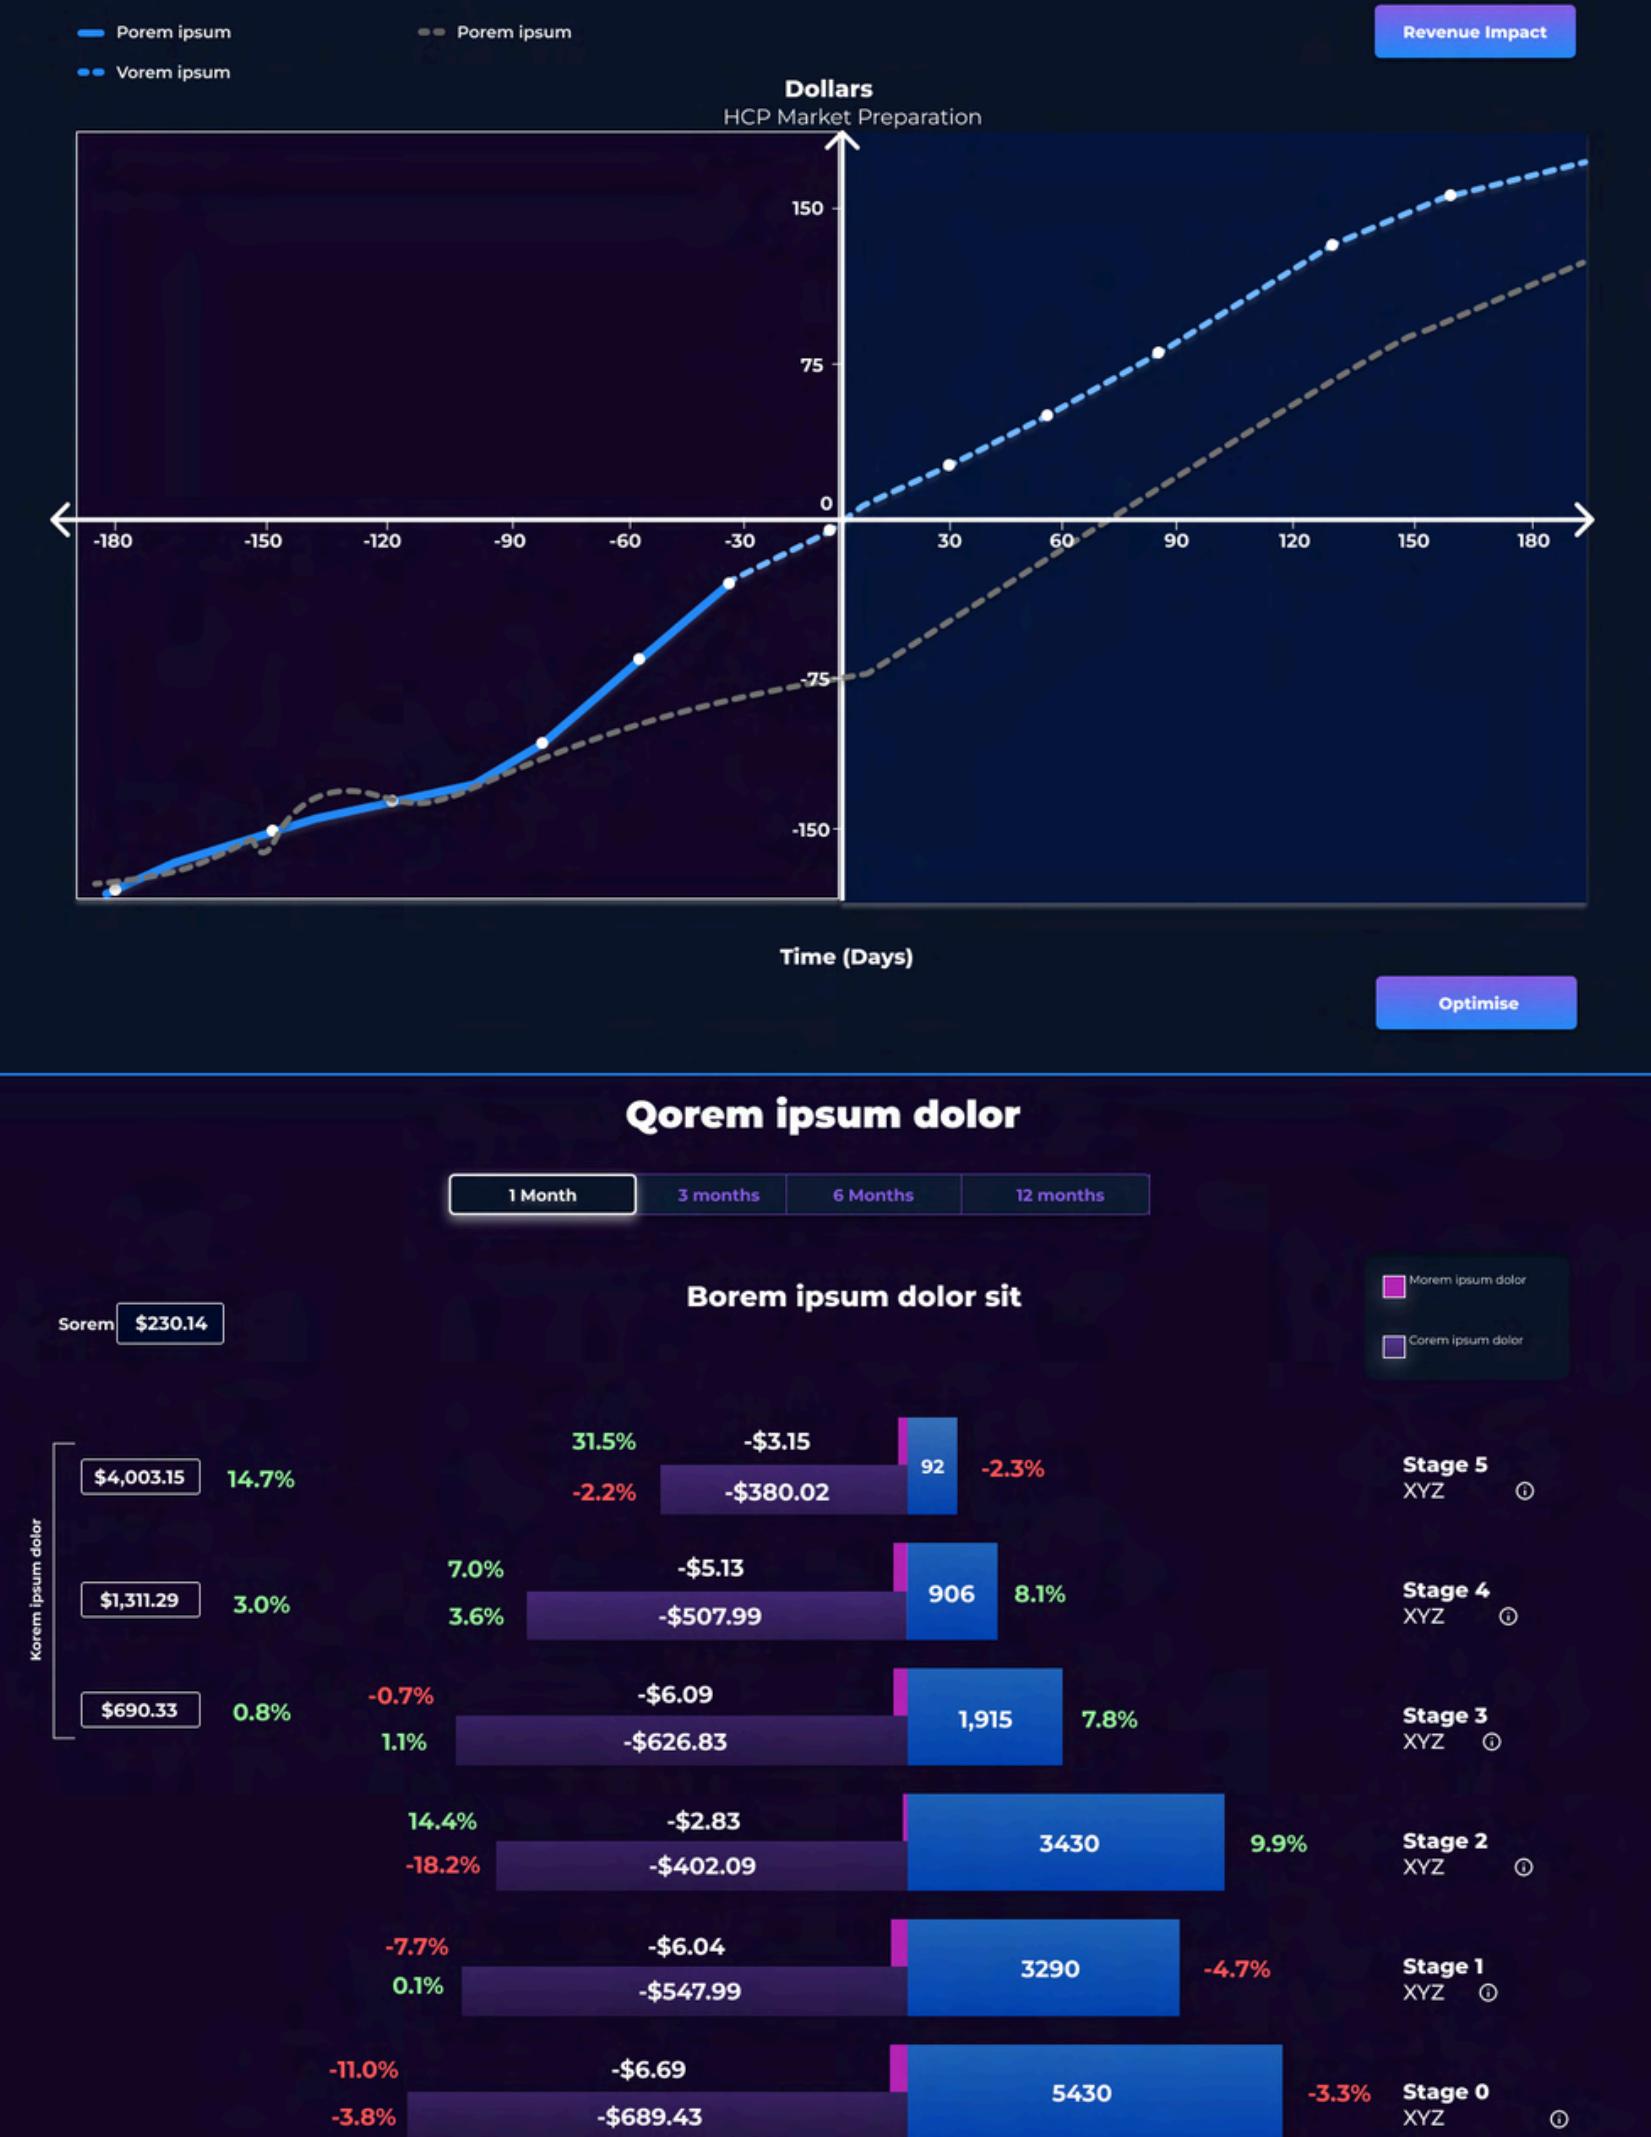

## The Product

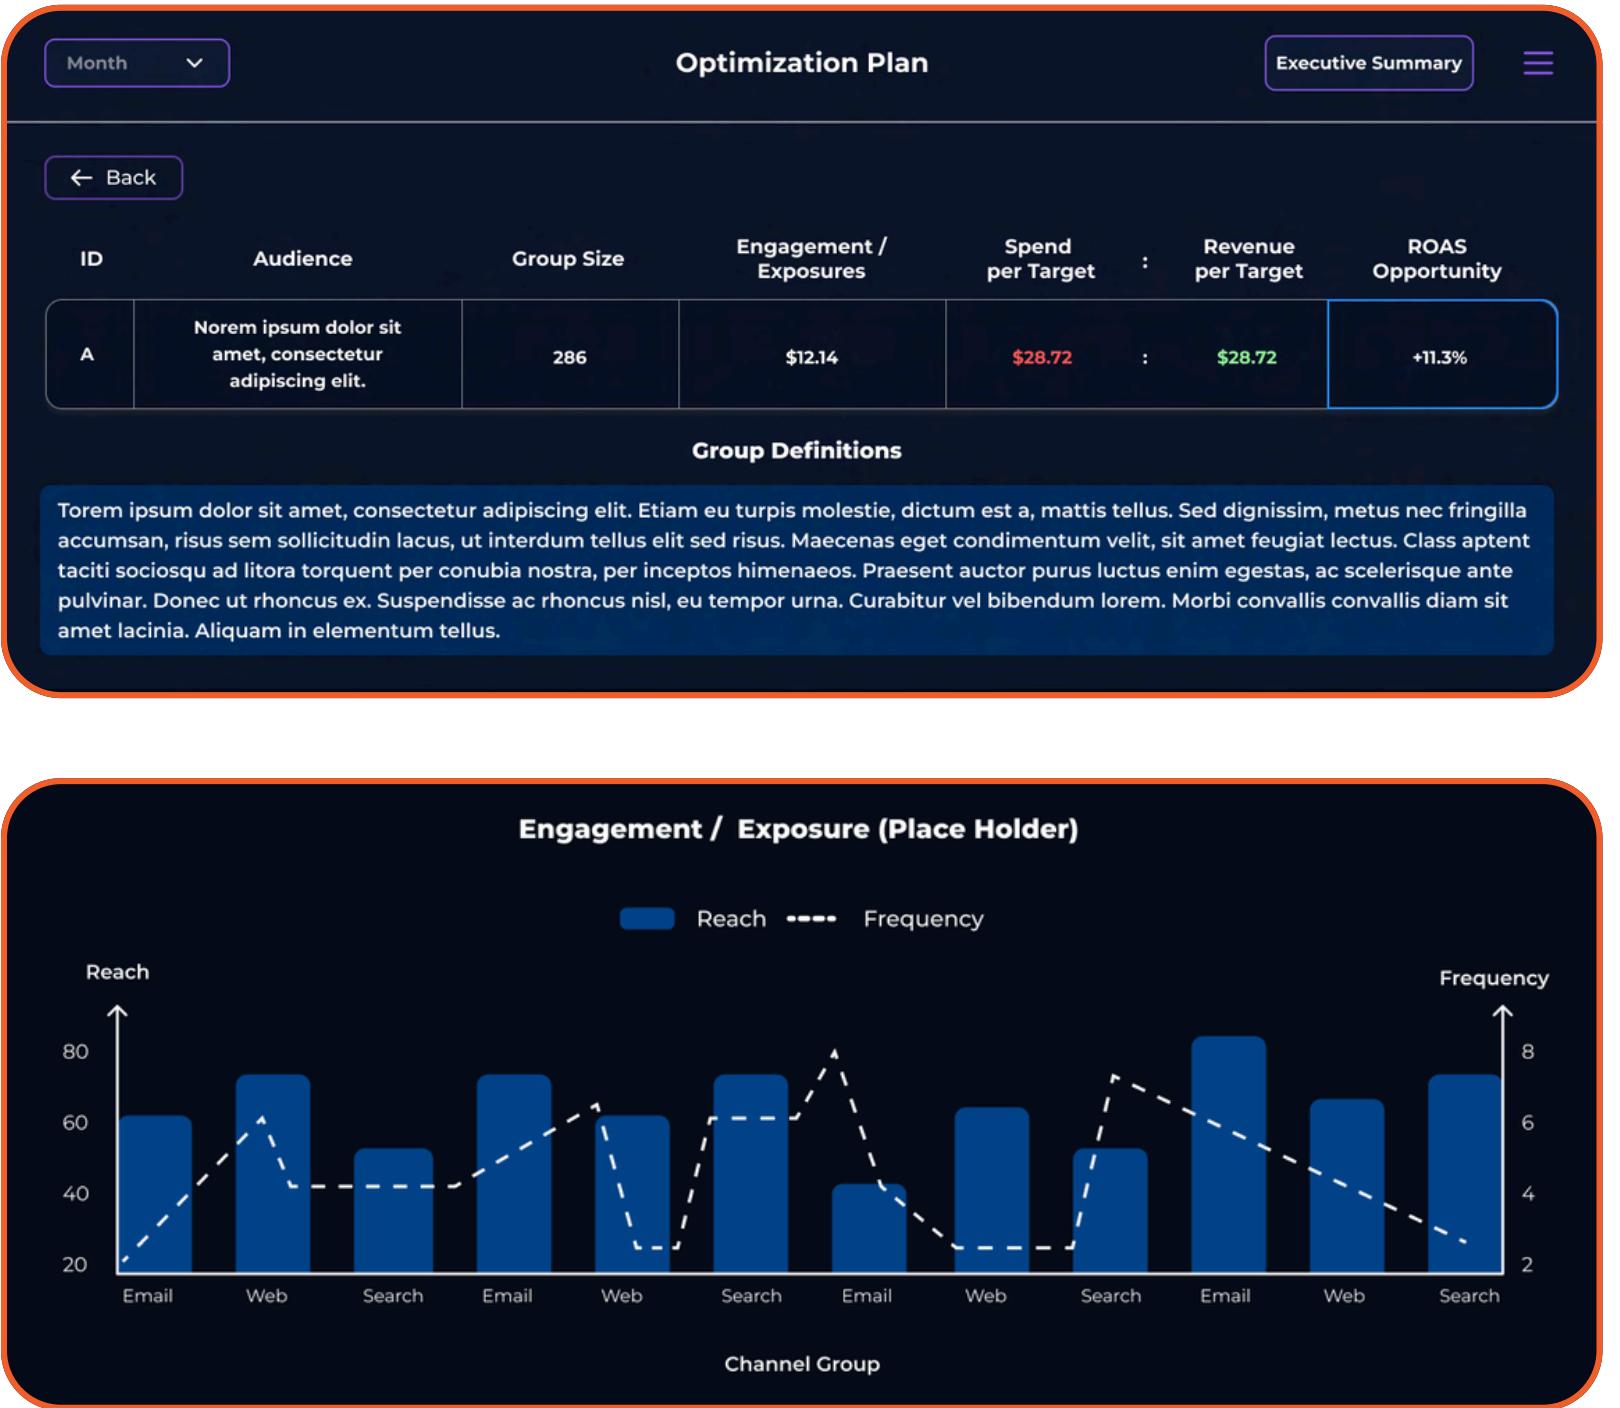

Analyzes the **strategic trade-offs** between different marketing channels and tactics.

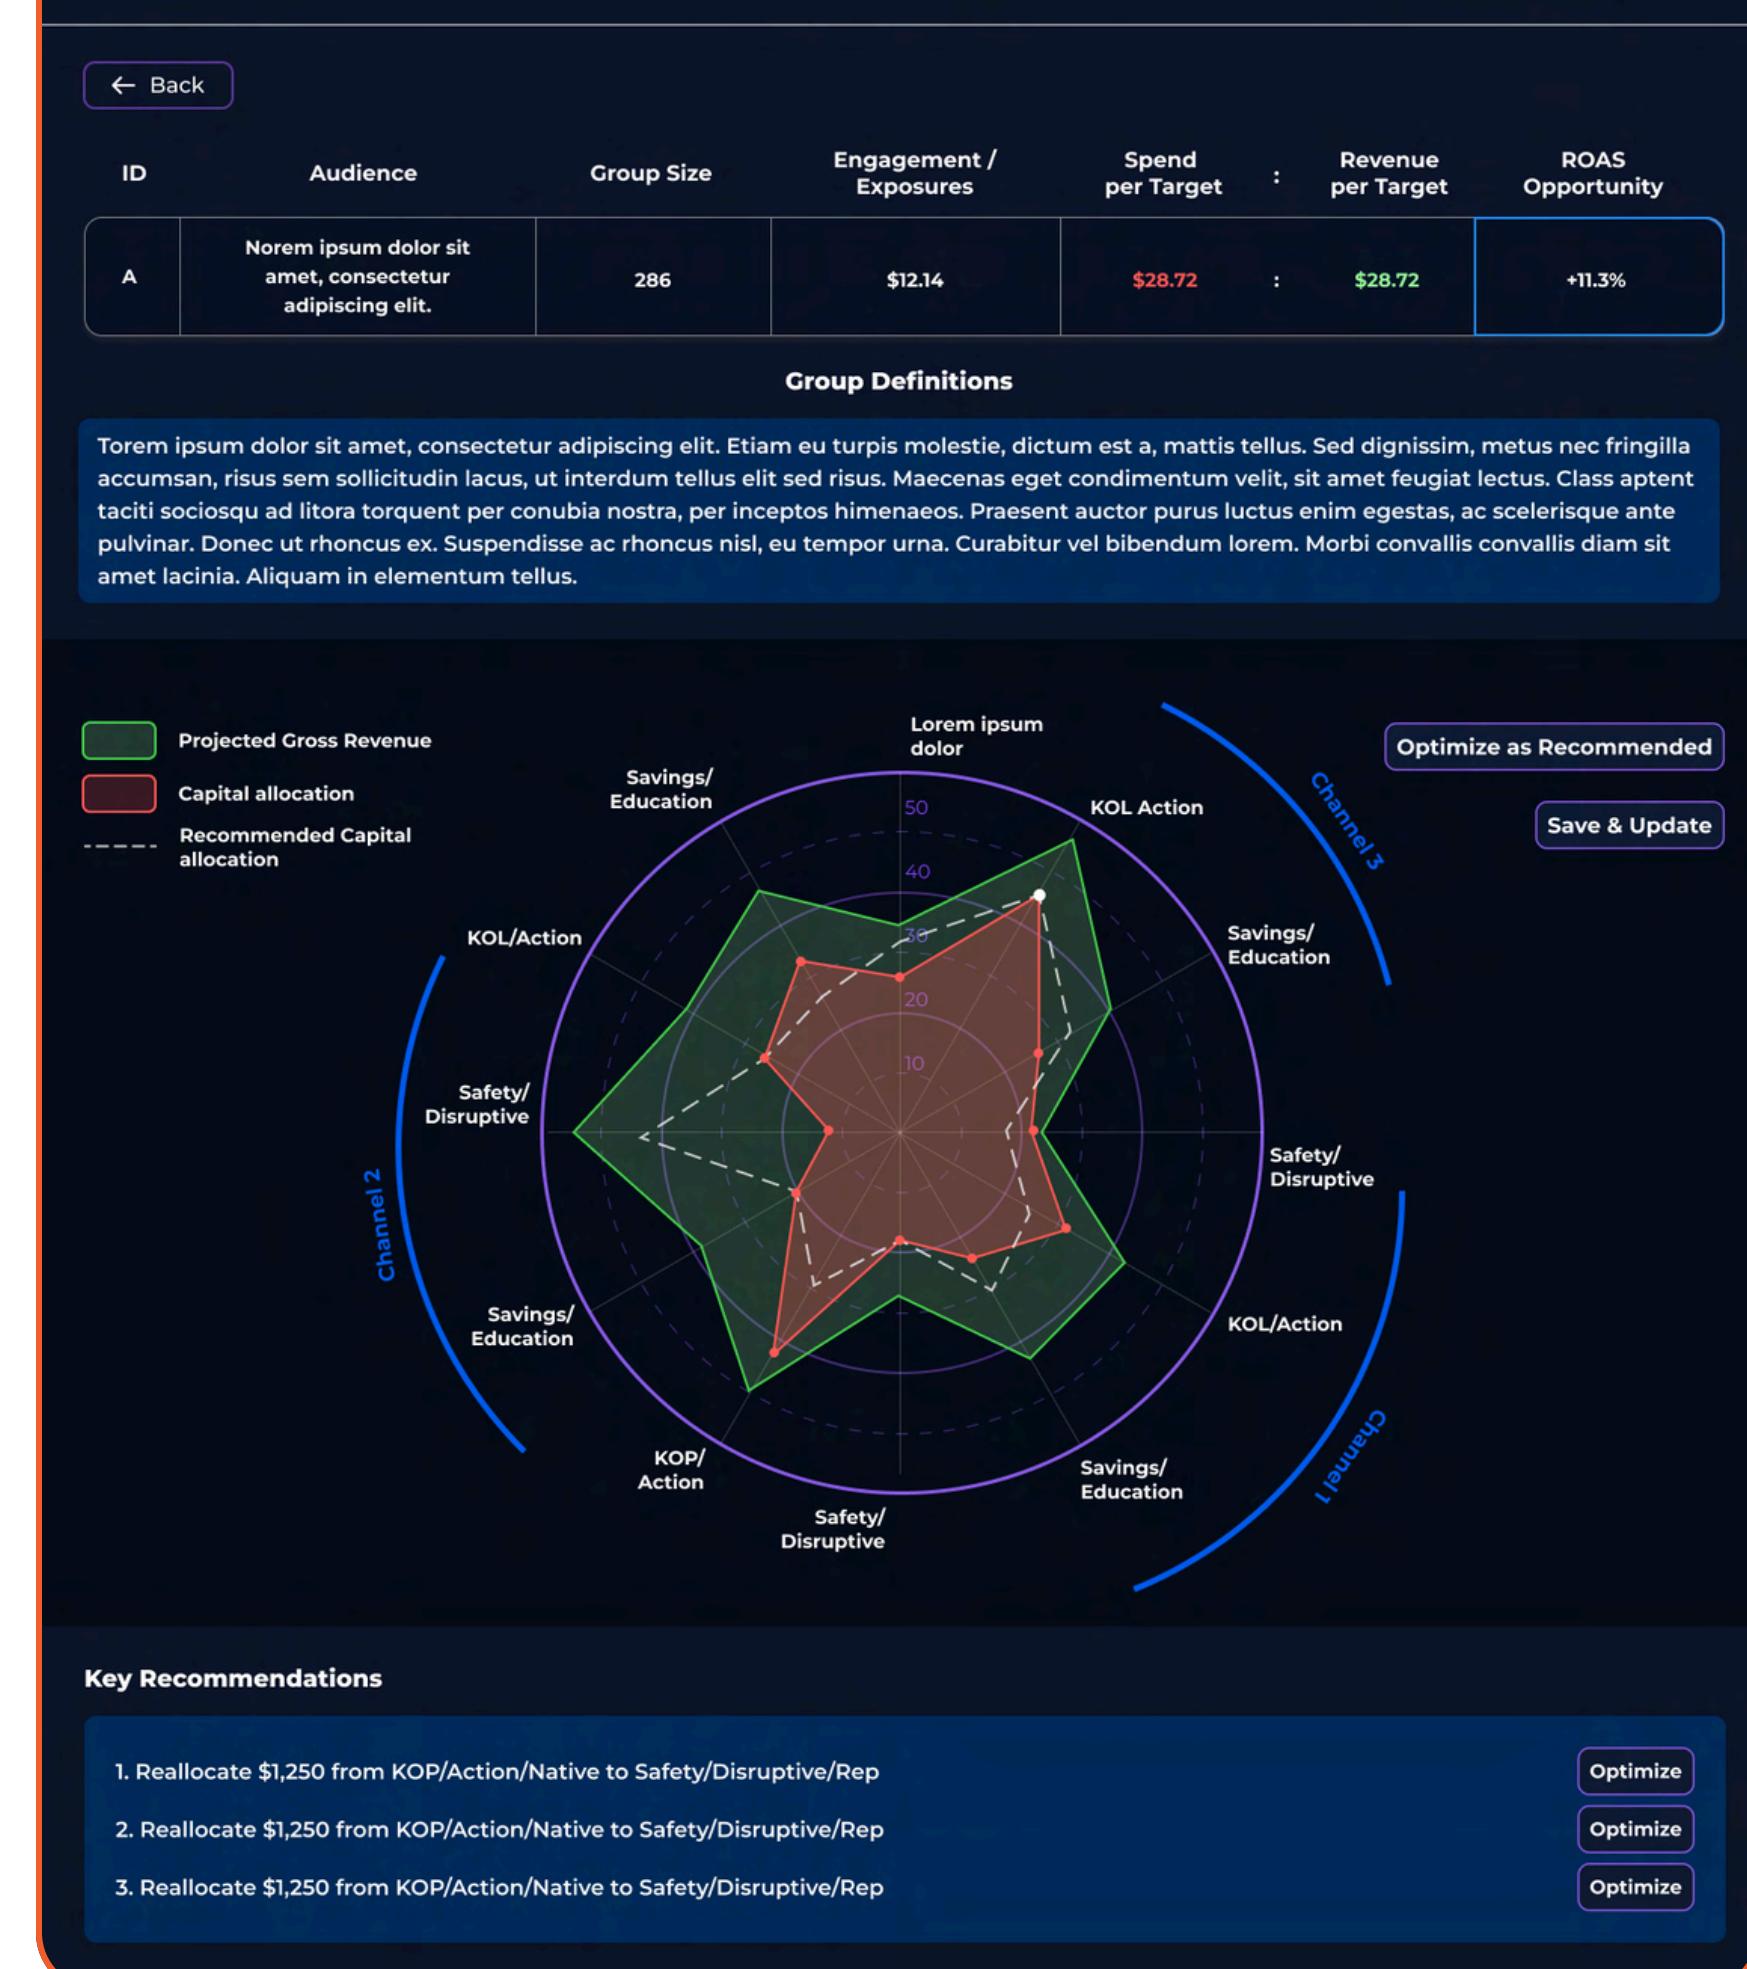

## The Product

Features **one-click optimization** to instantly realign budgets to the recommended strategy.

## The Product

Accelerating Market Readiness with Smarter  
Research Workflows

# The Challenge

The market research brief creation process was a major **bottleneck**, **delaying key decisions.**

Teams manually searched thousands of documents, a process that took **multiple weeks and led to missed opportunities.**

A smarter system was **needed to interpret and connect complex data** at scale, without sacrificing compliance.

**The Solution**

# A Generative Intelligence Platform

Interpreted complex clinical and competitor data like a senior analyst.

Auto-generated complete, reference-backed marketing briefs with suggested copy and creative direction.

Provided a clear, auto-linked compliance audit trail for all generated insights.

<b>Research Time</b>	From <b>31</b> days	under <b>4</b> Hrs
<b>Brief Generation</b>	<b>&gt;90%</b>	Auto-generated
<b>Insight Discovery</b>	<b>3</b> times	In speed and depth

Strategic Digital Partnership

# The Challenge

Inconsistent **branding** and **digital presence** across 40+ practice locations.

Lack of **centralized performance tracking** and reporting for marketing efforts.

**Marketing campaigns** were not aligned with individual office goals or staffing realities.

**The Solution**

# Integrated Digital Growth Platform

**Centralized management** of websites, paid ads, and local SEO for over 30 practices.

Developed **custom performance dashboards** with location-level and dentist-level lead tracking.

Implemented **smart campaign targeting**, adjusting **ad spend based on real-time dentist availability.**

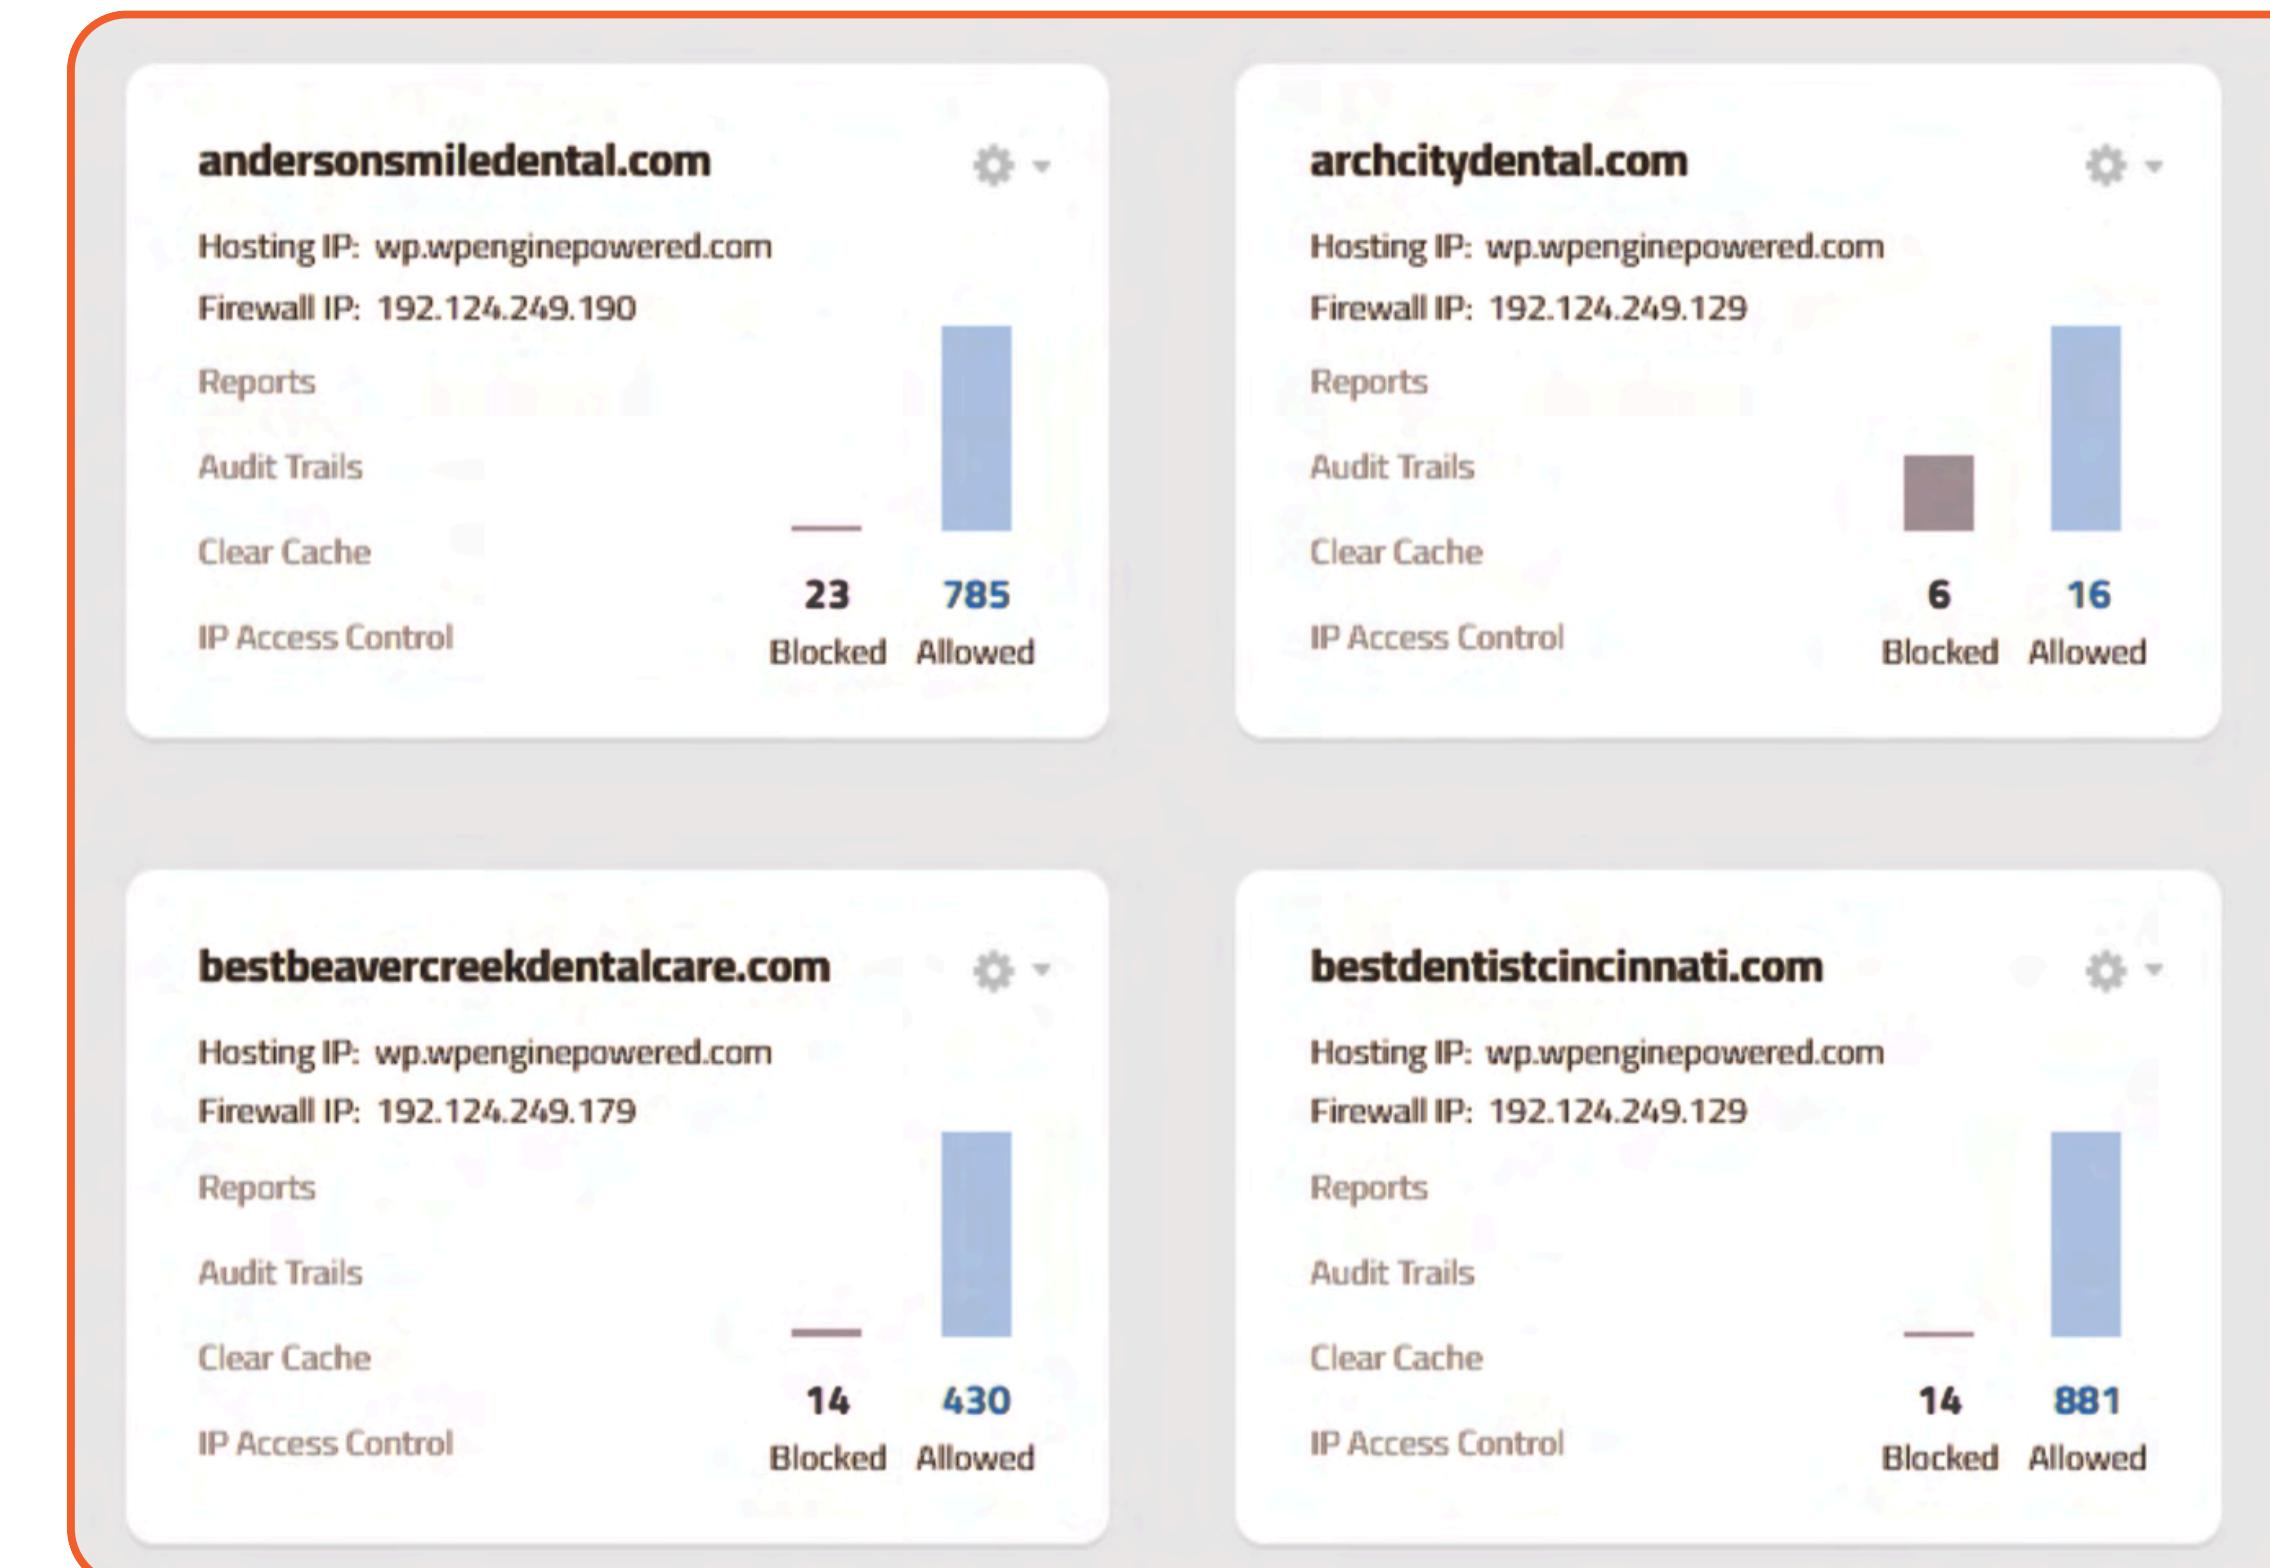

The Solution

# From Data Chaos to Actionable Intelligence: The Unified Dashboard

**Centralized tracking** for 40+ locations, down to the individual dentist level.

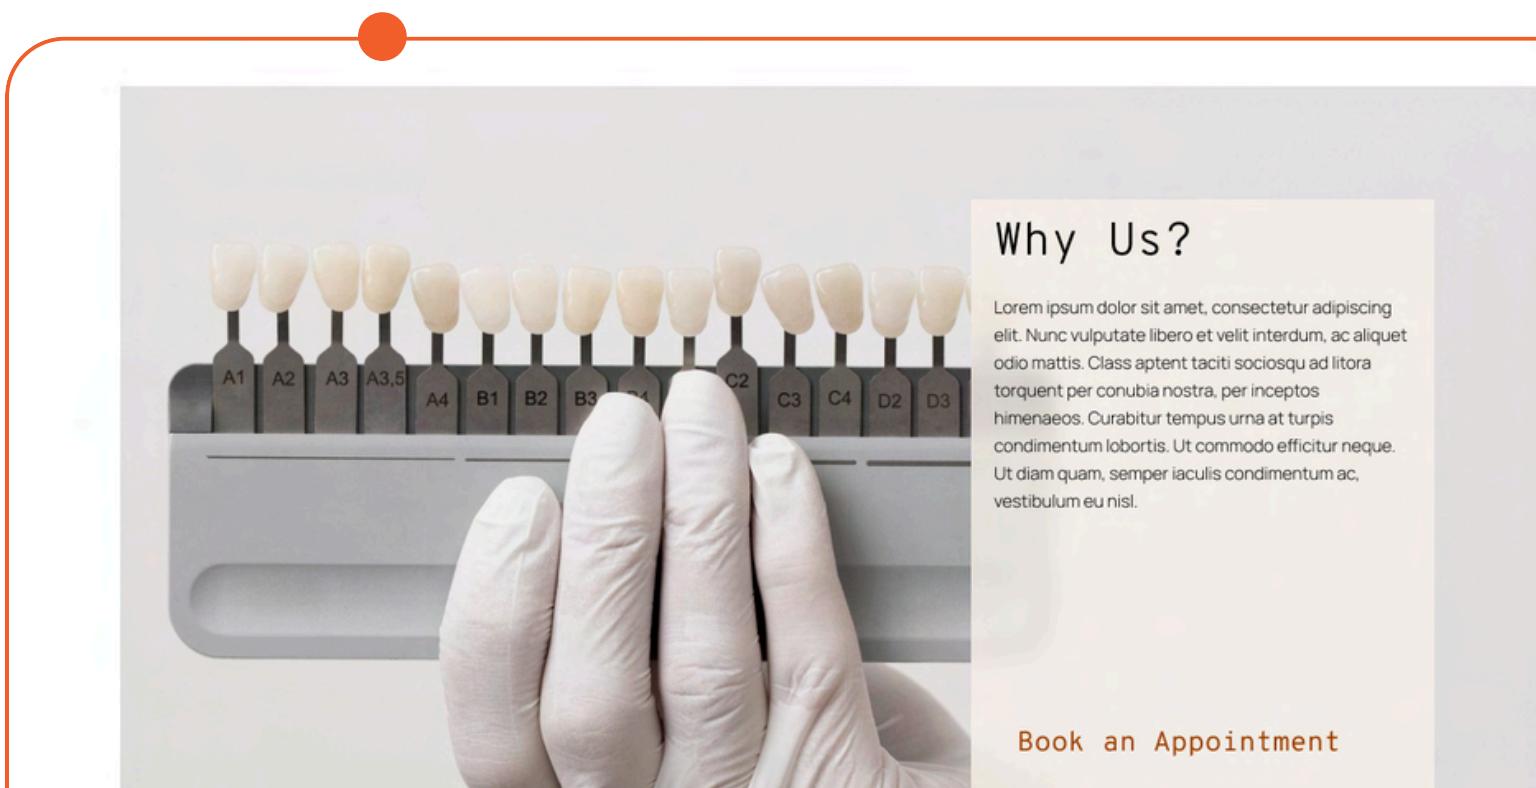

**Monitors key metrics:** Cost per Lead, Doctor Performance, and Production vs. Target.

**Provides proactive signals** to pause, shift, or boost campaigns for better ROI.

# Integrated Digital Growth Platform

**More Leads:** A prominent and strategically placed "Request an Appointment" button ensures you capture user intent immediately.
